Dear Mr. Meissner:

GSA is in receipt of your letter dated 02/26/2021 on behalf of NAS. We are currently evaluating the information and the next steps with CAC/Motir, JV. Please note that GSA will not engage in any activities (including but not limited to written communications, discussions, conversations, negotiations, etc.) with NAS without an express agreement that such activities will be subject to Federal Rule of Evidence 408. Should this be acceptable to NAS, please let me know and we can revisit this matter after GSA has finished its evaluation.

Sincerely,
